

34. SPRINT BUSINESS ESSENTIALSSM

1. Description

Sprint Business Essentials is designed to meet the communications needs of small business customers. This service offers four monthly commitment levels: \$0, \$50, \$150 and \$350. The Dial-1 and toll free interstate rate will be determined by the customer's commitment level. If a customer does not meet their monthly commitment level, they will be charged the difference between their monthly commitment and their total long distance usage.

The \$0 commitment level customer will be assessed a monthly recurring charge (MRC). Additional MRCs will apply to interstate and international toll free service.
