\* A product's international rate table may be used by other products.

<sup>1</sup> For interstate rates, additional charges, Terms and Conditions, see the product's section of Schedule No. 11 by clicking on the link in the 1st column.

<sup>2</sup> If a country is not listed in a product's discount plan, the rate for the product's non-discounted plan applies.

<sup>3</sup> Per call surcharges apply in addition to the applicable usage charges.

<sup>4</sup> Toll Free MRCs apply for interstate and international.

<sup>5</sup> Applies per access number. The charge is waived if a customer has total international toll-free service monthly usage of more than \$25 per location.
