

September 4, 2003

Dear CLEC Customer:

The Local Number Portability (LNP) end-user charge was adjusted to \$.53 on July 2, 2003 for all states. This charge can be found in the Sprint FCC Tariff No. 3, section 4.7.D.

Effective September 15, 2003, Sprint will begin invoicing the adjusted LNP rate for interconnection customers. Sprint will not bill for the adjusted rate from July 2, 2003 to September 14, 2003.

Should you have any additional questions, please contact your local account manager.
