30% Discount Promotion¹

Beginning November 1, 2000, customers subscribed to Sprint International Option C, Sprint Global Advantage II, Sprint Global Family Collect, Sprint Global Family Traveler, and Sprint Global Family II may be eligible to receive a discount of 30% off of their interstate calling each month. In order to be eligible for this discount, the customer must have a total monthly billing of at least \$45.00. If a customer does not bill at least \$45.00 in a month, the normal tariffed rates for the customer's underlying service will apply. The customer will receive the benefit of this promotion on each invoice following enrollment, as long as the customer remains a Sprint customer or until such time as Sprint may cancel the benefits of this promotion. If a customer cancels Sprint service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on the customer's final invoice. This promotion is available for enrollment through June 30, 2003, unless sooner changed or canceled by Sprint.
