AOL 5¢ AnyTime Provided by Sprint Waiver Promotion

Sprint may offer new eligible customers who subscribe to AOL 5¢ AnyTime Provided by Sprint a waiver of the service's monthly recurring charge (MRC). In order to be eligible for this promotion, a customer must: 1) subscribe to the promotion on Sprint's web site through a pop-up link located on AOL's web site or by contacting Sprint, 2) agree to remain an AOL 5¢ AnyTime Provided by Sprint customer for one year and 3) have total monthly long distance usage of \$20.00. The MRC waiver will be applied as a credit to the customer's first partial invoice after subscribing to this promotion. The customer will continue to receive the waiver of the MRC as long as the customer remains subscribed to AOL 5¢ AnyTime Provided by Sprint or until such time as Sprint may cancel the benefits of this promotion. The waiver will not be applied in any month in which the customer's total long distance usage is less than \$20.00. The customer may not subscribe to any other promotion. A customer who cancels Sprint service prior to the end of their one-year contract will be charged a \$15.00 Early Termination Fee. If a customer cancels Sprint service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on their final invoice. Instead, the non-discounted AOL 5¢ AnyTime Provided by Sprint MRC will apply. This promotion is available for enrollment through September 30, 2002, unless sooner changed or canceled by Sprint.
