Sprint Nickel AnyTime/HawaiianMiles \$3.00 Discount Promotion

Sprint Nickel AnyTime residential customers may be eligible to receive a discount of \$3.00 off the service's monthly recurring charge (MRC) and up to 6,000 HawaiianMiles. In order to be eligible to receive this promotion, a customer must be a HawaiianMiles program member. In addition, the customer must subscribe to this promotion: 1) when contacted by a Sprint representative, 2) by contacting Sprint in response to an advertisement, or 3) online at Sprint's Internet web site. The \$3.00 MRC discount will be applied as a credit on the customer's first partial invoice after subscribing to this promotion. The customer will continue to receive the \$3.00 MRC discount, as long as the customer remains a member of the HawaiianMiles program or until such time as Sprint may cancel the benefits of this promotion. If a customer cancels Sprint service, the \$3.00 discount will not be applied to the customer's final invoice. Instead, the \$8.95, Sprint Nickel AnyTime MRC will apply. Four to six weeks after the customer's first and sixth invoice they will receive 2,500 HawaiianMiles. A customer who subscribes to this promotion online will receive an additional 1,000 HawaiianMiles four to six weeks after their first invoice. This promotion is limited to 6,000 miles per account and is not available to Sprint employees. Subscription to this promotion is available through December 31, 2003, unless sooner changed or canceled by Sprint.
