Sprint Nickel AnyTime \$3.00 Promotion

Sprint may offer eligible customers who subscribe to Sprint Nickel AnyTime a discounted monthly recurring charge (MRC) of \$3.00. In order to be eligible for this promotion, a customer must: 1) subscribe to this promotion online at lowermybills.com and 2) agree to remain a Sprint Nickel AnyTime customer for one year. The MRC discount will be applied as a credit with the customer's first partial invoice after subscribing to this promotion. The customer will continue to receive the \$3.00 discounted MRC as long as the customer remains subscribed to Sprint Nickel AnyTime or until such time as Sprint may cancel the benefits of this promotion. The customer may not subscribe to other promotions except the Sprint Nickel AnyTime \$5.95 Promotion. If a customer subscribes to both promotions, and has at least \$20.00 of monthly long distance usage, their MRC will be \$0.00. If a customer cancels Sprint service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the Sprint Nickel AnyTime MRC will apply. This promotion is available for enrollment through October 1, 2004, unless it is sooner changed or canceled by Sprint.
