Sprint Nickel AnyTime \$5.95 Promotion II

Sprint may offer eligible customers who subscribe to Sprint Nickel AnyTime a discounted monthly recurring charge (MRC) of \$5.95. In order to be eligible for this promotion, a customer must: 1) be a JP Morgan Chase customer and subscribe to the promotion online at Chase's web site, 2) agree to remain a Sprint Nickel AnyTime customer for one year and 3) have a total of \$20.00 monthly long distance usage. The MRC discount will be applied as a credit to the customer's first partial invoice after subscribing to this promotion. The customer will continue to receive the \$5.95 discounted MRC as long as the customer remains subscribed to Sprint Nickel AnyTime or until such time as Sprint may cancel the benefits of this promotion. However, the discount will not be applied in any month the customer's total long distance usage is less than \$20.00. The customer may not subscribe to other promotions except the Sprint Nickel AnyTime \$3.00 Promotion. If, a customer subscribes to both promotions and has at least \$20.00 of monthly long distance usage, their MRC will be \$0.00. A customer, who cancels Sprint service prior to the end of their one year contract, will be charged a \$15.00 Early Termination Fee. If a customer cancels Sprint service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the Sprint Nickel AnyTime MRC will apply. This promotion is available for enrollment through June 13, 2003, unless it is sooner changed or canceled by Sprint.
