Sprint Nickel AnyTime/United Mileage Plus \$3.00 Discount Promotion II

Beginning July 7, 2003, new Sprint Nickel AnyTime residential customers may be eligible to receive a \$3.00 discount off the service's monthly recurring charge (MRC) and up to 5,000 United Mileage Plus bonus miles. In order to be eligible to receive this promotion a customer must be a United Mileage Plus member. In addition, the customer must subscribe to this promotion when contacted by a Sprint representative. The \$3.00 MRC discount will be applied as a credit on the customer's first partial invoice after subscribing to this promotion. The customer will continue to receive the \$3.00 MRC discount, as long as they remain a member of the United Mileage Plus program or until such time as Sprint may cancel the benefits of this promotion. If a customer cancels Sprint service, the \$3.00 discount will not be applied to the customer's final invoice. Instead, the \$8.95, Sprint Nickel AnyTime MRC will apply. Four to six weeks after the customer's first and sixth invoice they will receive 2,500 United Mileage Plus bonus miles. This promotion is limited to 5,000 miles per account. Subscription to this promotion is available through December 31, 2003, unless sooner changed or canceled by Sprint.
