7 Cents Calling Promotion #3¹

Beginning March 12, 2000, new Sprint 1000 Nights customers may be eligible to receive a discounted per minute rate of \$0.07 for interstate Dial-1 calls placed between the hours of 7AM and 7PM (to but not including) Monday through Sunday in lieu of the service's standard Dial-1. The discounted interstate per minute Dial-1 rate will apply to each customer invoice following promotion enrollment until such time as Sprint changes or cancels the benefit of this promotion. In order to receive the benefit of this promotion, the customer must request this promotion. If a customer cancels Sprint service, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion is no longer available for sign-up.
