

**AFFINITY MEMBER BENEFIT PROGRAM
(No Longer Offered)**

The Affinity Member Benefit Program is a benefit package which allows individual users who are members or employees of participating trade associations, professional organizations, business entities, affiliated franchises, or buying groups not organized expressly for the purpose of qualifying to receive the Affinity Member Benefit Program discounts, to take advantage of discounts off standard Dial-1, FONCARD, Sprint Plus, Sprint Day Plus, Sprint Select, Sprint World, The Most, the Most Worldwide, Sprint Worldwide, Sprint Sense, Dial 1 WATS, Dial 1 WATS ADVANTAGE, FONLINE, and Residential Toll Free rates.

The discount levels are determined by the monthly revenue commitment (\$5,000 minimum) of the participating group or entity. Each subscriber is billed separately for usage charges and the invoice received from Sprint will show all appropriate discounts.

If the group or entity does not meet the \$5,000 monthly revenue commitment within nine (9) months from the initiation of the program, or if having qualified, fails to maintain the \$5,000 monthly revenue commitment for four (4) consecutive months, the members or employees of the program will cease to be eligible for the Affinity discounts.

Sprint Dial-1 and FONCARD: Group members who subscribe to Sprint's Dial-1 and FONCARD products will receive up to a 10% discount off interstate and international Dial-1 and FONCARD day, evening and night/weekend usage. The discount of up to 10% will be in lieu of any other applicable Dial-1/FONCARD discounts.

Sprint Plus (including Sprint Day Plus): Group members who subscribe to Sprint's Sprint Plus products (including Sprint Day Plus) will receive up to a 5% discount off Sprint Plus charges for day, evening and night/weekend interstate and international usage. The applicable usage includes direct dial, FONCARD, international and operator services calling. The Affinity discount is applied after the normal Sprint Plus or Sprint Day Plus volume discounts have been applied. The Affinity discount does not apply to monthly recurring surcharges.

Sprint Select: Group members who subscribe to the Sprint Select service under the Affinity program will receive a 3% discount off of the plan charge and a 3% discount off of the total invoice usage.

Sprint World: Group members who subscribe to the Sprint World service under the Affinity program will receive a 5% discount off of interstate and intrastate usage.

The Most and the Most Worldwide: Group members who subscribe to Sprint's The Most or the Most Worldwide products will receive up to a 5% discount off all interstate and international call usage.

Sprint Worldwide: Group members who subscribe to the Sprint Worldwide service under the Affinity program will receive up to a 5% discount off of interstate, intrastate and international usage.

Sprint Sense: Group members who subscribe to the Sprint Sense service under the Affinity program will receive up to a 5% discount off of interstate, intrastate and international usage.
