

CREDIT CARD READER PHONE¹

This service allows both Sprint and non-Sprint subscribers to place calls over the Sprint network by accessing a Credit Card Reader Phone at certain locations and using one of the following credit cards: American Express, Visa, Mastercard, Diner's Club, Diner's Club International and Carte Blanche.

Subscribers will be billed for charges incurred by their respective commercial credit/charge card institution. In addition to the appropriate Sprint Basic Dial-1 Per Minute Rates, a Credit Card Usage fee of \$1.00 will be applied per call for all domestic calls and calls to Canada. A surcharge of \$1.25 will be applied to all international calls (except Canada), made from those Credit Card Reader Phones that allow such calls.

Unrestricted calling to all international locations served by the Sprint network is not available from all Credit Card Reader Phones.

Directory Assistance calls will be 65 cents per call. The Credit Card Usage fee of \$1.00 will not be applied.

It should be noted that Usage Discounts will not apply to calls made by using a credit card.
