Discounted Calling to Canada Promotion¹

Beginning April 1, 2000, new, former or existing Sprint residential Sprint International service or calling plan customers subscribing to or subscribed to Sprint Customized Optional Calling Plans #6, #7, #8, #9, #10, #11, or #12 herein may be eligible to receive a discounted per minute rate of \$0.05 for direct Dial-1 calls placed to Canada 24 hours a day on Saturdays and Sundays in lieu of the weekend rate of the customer's underlying Sprint service. The discounted per minute rate will apply to the customer's first partial invoice and each invoice thereafter for as long as the customer remains subscribed to one of the services specified in this promotion. Eligible existing customers must request enrollment in this promotion. If a customer cancels Sprint service, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base rates of the customer's underlying service will apply. Unless otherwise noted elsewhere in the Promotional Offerings section, this promotion cannot be combined with any other promotion herein offering discounted calling to Canada except for the "Sprint Sense II International Calling Promotion". This promotion is available for sign-up through June 30, 2000 unless sooner changed or canceled by Sprint.
