Discounted Calling to France, Germany, Ireland or Italy Promotion¹

Beginning February 6, 1999, Sprint will offer to new and existing Sprint International Option C and Sprint International Option C Interstate and international Dial-1 Option customers a discounted Dial-1 rate of \$0.23 to France, Germany, Ireland, or Italy (including Vatican City) when one of these countries is the country the customer calls the most. The discounted rate will apply 24 hours a day, 7 days a week. The customer will receive the discounted Dial-1 rate in lieu of the customer's underlying service Dial-1 rate on the customer's first partial and each invoice thereafter for as long as the customer remains subscribed to one of the services specified in this promotion. This promotion cannot be combined with any other promotion herein except for the "Nickel Weekend Calling Promotion #2" and the "Credit Promotion #4". If a customer cancels Sprint service, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion is no longer available for enrollment.
