Discounted Calling to Japan Promotion¹

Beginning January 22, 1999, Sprint will offer to new Sprint International Option A, customers a discounted Dial-1 rate of \$0.25 to Japan. The discounted rate will apply 24 hours a day, 7 days a week. The customer will receive the discounted Dial-1 rate in lieu of the customer's underlying service Dial-1 rate for as long as the customer remains a Sprint International Option A customer. In order to be eligible for this promotion, new customers must: (1) contact Sprint to sign-up for Sprint International Option A, (2) mention at the time of sign-up that a Sprint competitor is offering the same rate to Japan, and (3) be a resident of Hawaii. This promotion cannot be combined with any other promotion herein. If a customer cancels Sprint service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion is available for enrollment through June 30, 1999 unless sooner changed or canceled by Sprint.
