Discounted International Dial-1 Calling to Various Countries Promotion #3¹

Beginning May 27, 2000, existing Sprint residential customers switching to Sprint Global Family II or Sprint Global Family III service may be eligible to receive a \$0.29 per minute rate for direct Dial-1 calls placed to the Dominican Republic, Jamaica and Trinidad in lieu of the international dial-1 rates of the customer's underlying service. The customer will receive the discounted international dial-1 rate on calls to the above listed countries until such time as Sprint changes or cancels the benefit of this promotion. If the customer cancels Sprint service, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion is available through June 3, 2000, unless sooner changed or canceled by Sprint.
