Sprint/Earthlink Cable Savings Market Test

Sprint 7 Cents AnyTime customers may be eligible to receive a discount. In order to be eligible for this market test, a customer must subscribe to EarthLink cable service and must sign up for this market test by contacting Sprint. In addition, a customer must reside in one of the following cities: Los Angeles, California; Tampa, Florida; Minneapolis, Minnesota; Memphis, Tennessee or Austin, Texas. A monthly credit of \$5.95 will be applied against a customer's Sprint 7 Cents AnyTime \$5.95 monthly recurring charge (MRC). The customer will continue to receive the \$5.95 discount, as long as they remain subscribed to Sprint 7 Cents AnyTime and EarthLink cable service or until such time as Sprint may cancel the benefits of this market test. If a customer cancels Sprint service or EarthLink cable service, no market test benefit will be given on their final invoice. Instead, the \$5.95 MRC will apply. This market test is not available with any other market tests and is not available to Sprint employees. Subscription to this market test is available through January 31, 2003, unless it is changed or canceled by Sprint.
