9. Single Bill Fee - Effective July 1, 2006, customers who choose to be billed for Sprint Services on their local carrier's bill and such billing is available, will be assessed a monthly fee of \$2.99. Sprint will not assess this fee if: 1) your usage for the month (including any MRCs) is greater than \$40; 2) the terms of your Service specifically excludes this charge; or 3) you are a blind and visually impaired customer in Missouri and request invoices in Braille or large print.
10. Other Surcharges - Sprint may assess other surcharges to recover amounts Sprint is required pay to in support of statutory or regulatory programs (including, but not limited to, state-specific universal service funds, lifeline charges, mandated user fees, telecommunications and deaf relay charges, and other federal and state miscellaneous charges), as well as excise, sales, use, gross receipts or other similar taxes levied by a governing body on Sprint. The rates for some of these taxes are set by the governing bodies, while others are set by Sprint in accordance with the amounts it must pay to the governing bodies. Where required by state law, the specific amounts of these surcharges are set forth in Sprint in-state tariffs.
11. Vermont Universal Service Charge - Sprint will assess a charge to support universal service in Vermont. The charge, which is prescribed by the Vermont Public Service Board, is a percentage of the intrastate and interstate charges within the state of Vermont of customers whose service address is in Vermont.
