International Calling Plan Discounted Interstate Rate Promotion¹

Beginning December 13, 1999, existing Sprint International Option A, Sprint International Option B, Sprint International Option C, Sprint International Option C Interstate and International Dial-1 Option, Sprint International Market Test #2 and Sprint Sense International Asian Calling Plan customers enrolling in this promotion are eligible to receive an interstate Dial-1 rate of \$0.10 during all time of day calling periods, seven days a week, in lieu of the customer's underlying service's interstate Dial-1 rate. The customer will receive the \$0.10 per minute interstate Dial-1 rate on the customer's first partial and each following full invoice after sign-up for this promotion. If a customer cancels Sprint service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base rates of the customer's underlying service will apply. As of December 31, 2000, this offer will no longer be available to new customers.

Issued: July 31, 2001
