Fees and Surcharges	<p>The fee and surcharges described below will be deducted from a customer's phone card balance. If the remaining balance on the customer's phone card is less than one of the applicable fees or surcharges, the charge will equal the remaining balance on their phone card.</p> <ul style="list-style-type: none"> • A Payphone Surcharge of \$0.89 will apply to all calls originating from payphones. • A Connection Fee of \$0.20 will apply beginning with a customer's third call, and for each call thereafter. • A 67% Communication Fee based on the total charges of a customer's call, including the applicable Payphone Surcharge, will be assessed at the end of each call. • A One-time Maintenance Fee of \$0.69 will apply. The fee will be assessed the next calendar day, after midnight PST, after the connection of the customer's first completed call. If a customer makes a call prior to the scheduled assessment of the fee and continues past midnight, the customer will receive all minutes available for the call exclusive of the fee. The fee would be calculated against the balance before the next call. • A Weekly Maintenance Fee of \$0.69 will be deducted from the phone card balance seven days after the first completed call is placed. The fee will be deducted every seven days thereafter until the card is depleted.

- Calls may be originated only from the states identified on the card. Calls made from other states will be blocked.
- All usage is deducted in whole minute increments. Partial minutes are rounded up to the next whole minute.
- The minutes associated with this card do not expire.
