Partial Waiver of MRC Promotion #5¹

Beginning November 13, 1999, customers previously subscribed to Sprint Customized Optional Calling Plans #6, #7, #8, #9 or #10 herein who (1) subscribe again to one of these services and (2) call Sprint to enroll in this promotion may be eligible to receive \$5.00 off the monthly recurring charge associated with the customer's underlying service. Customers enrolled in this promotion will receive the discount off the monthly recurring charge in the form of a credit. The credit will be applied to the customer's first partial and each invoice thereafter for as long as the customer remains subscribed to one of the services listed under this promotion. If the customer cancels Sprint service, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion is available for sign-up through March 15, 2000 unless sooner changed or canceled by Sprint.
