Sprint PCS/SPRINT Long Distance MRC Waiver And Interstate Dial-1 Discounted Rate Service Offer¹

Beginning August 5, 2000, new Sprint Global Family Advantage customers may be eligible to receive (1) a \$2.00 discount off the monthly recurring charge ("MRC") associated with the customer's Sprint Global Family Advantage II service and (2) a discounted interstate dial-1 per minute rate of \$0.07 in lieu of the customer's underlying Sprint Global Family Advantage II interstate dial-1 service rate. In order to be eligible for the benefits of this offer, customer must simultaneously (1) sign up for Sprint Global Family Advantage II service at any Sprint PCS retail store and (2) sign up as a Sprint PCS customer. The customer will receive the benefits of this offer for as long as the customer remains both a Sprint PCS and a Sprint Global Family Advantage II customer or until Sprint changes or cancels the benefit of this offer, whichever comes first. If a customer cancels either service, no benefit of this offer will be given to the customer on the customer's next or final Sprint long distance invoice. Instead, the base tariffed rates of the customer's underlying Sprint long distance service will apply. This offer is no longer available. Customers who subscribed to service under this offer shall now receive the rates associated with Sprint 7 Anytime International.
