Sprint Residential Discount Promotion¹

Sprint may offer new eligible customers who subscribe to a Sprint residential service a discount on their long distance usage. In order to be eligible for this promotion, the customer must be an employee of the company that has entered into a joint marketing agreement with Sprint. Eligible customers will receive up to a \$5.00 discount off of their monthly intrastate, interstate, and international usage. The discount will be given to the customer in the form of a credit on the customer's Sprint bill, as long as the customer remains a Sprint customer and an employee of the company that has entered into a joint marketing agreement with Sprint or until such time as Sprint may cancel the benefits of this promotion. If a customer cancels Sprint service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion is available for enrollment through June 30, 2002, unless sooner changed or canceled by Sprint.
