**Short Calls Free Promotion<sup>1</sup>**

Beginning January 9, 1999, new and existing Sprint Sense AnyTime customers may be eligible to receive interstate and intrastate Dial-1 calls of a call duration of 30 seconds or less at no cost as described herein. In order to be eligible for this promotion, the customer must either (1) be contacted and offered this promotion by a Sprint telemarketing representative in a follow-up call after becoming a Sprint residential customer or (2) call and request this promotion. The customer will be limited to 30 free domestic Dial-1 calls per month. The customer will continue to receive short calls free as described herein for as long as the customer remains subscribed to Sprint Sense AnyTime. The free domestic Dial-1 calls will be given to the customer in the form of a credit for each call. If a customer cancels Sprint service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion shall remain in effect through June 30, 1999 unless sooner changed or cancelled by Sprint.
