- Sprint 120 block of time product allows the customer to place a predetermined amount of combined interstate and intrastate Dial-1 minutes each month in return for a monthly recurring charge. Any interstate Dial-1 usage above the predetermined minutes will be charged a flat per minute rate.

* As of October 1, 2006, Sprint 120 will no longer be available to new customers.

- Unused block of time minutes cannot be carried over to the next month.
- For country termination points and state-to-state call definitions, see [Service Availability](#).
- The service is available to residential customers who have selected Sprint as their primary interexchange carrier.
- All calls are billed in whole minute increments. Partial minutes are rounded up to the next whole minute.

Issued: February 8, 2008

Effective: February 8, 2008

SPRINT 120SM
(No Longer Offered)*

- All call placements charges, connection fees and surcharges apply per call.
- A customer's phone line may not be classified as a "business", "public" or "semi-public" line. The customer's account may not have more than two residential phone line associated with its account and each household is limited to two Sprint 120 long distance accounts. A customer must subscribe to Sprint 120 for outbound Dial-1 service.
- This service is available for use by individuals residing at a single-family residence, including but not limited to a house, condominium, or apartment, where service is being provided. This service is not available in group or multi-family housing, including but not limited to housing associated with educational institutions or military barracks.
- The 120 minutes of Dial-1 usage provided under this service offering applies on a per line basis only and does not include usage associated with: Sprint FONCARD calls; calls which are pay for use, including calls to 900, 976, 555 and 700 numbers; calls to Directory Assistance calls which involve an operator service, including emergency interrupt; and toll free service.
- If Sprint determines that the service is not being used for individual residential service or in any other way violates the restrictions of this service, Sprint may suspend or terminate the subscriber's service.
- Use of any feature, including but not limited to call forwarding, on a planned and continuing basis to allow an originating caller to avoid long distance charges is prohibited.
- Other surcharges and fees may apply, including (but not limited to) Carrier Cost Recovery Charge, Carrier Universal Service Charge, Frequent Flyer Excise Charge, Gross Receipts Tax Surcharge, International Mobile Termination Surcharge and Single Bill Fee. In addition, state Universal Service Fund charges may also apply to interstate and/or international services. For further information, see [Sprint Wireline Terms and Conditions of Service](#), Section 4 and the [Sprint Wireline Fees and Surcharges Matrix](#).

* As of October 1, 2006, Sprint 120 will no longer be available to new customers.
