- A customer's phone line may not be classified as a "business", "public" or "semi-public" line. - The MRC will apply each month or partial month and will be billed in advance of service, except for the initial month (or fraction thereof). The MRC for the initial month (or fraction thereof) will be billed on the customer's first invoice. Specifically, the first bill the customer receives will include a MRC for the first month (or prorated MRC for a partial month) plus the MRC for the next month's service.
- If Sprint determines that the service is not being used for individual residential service, or in any other way violates the restrictions of this service, Sprint may suspend or terminate the customer's service.
- This service is available for use by individuals residing at a single-family residence, including but not limited to a house, condominium, or apartment, where service is being provided. This service is not available in group or multi-family housing, including but not limited to housing associated with educational institutions or military barracks.
- Use of any feature, including but not limited to call forwarding, on a planned and continuing basis to allow an originating caller to avoid long distance charges is prohibited.
- Dial-1 long distance voice usage provided under this service offering applies on a per line basis only and does not include usage associated with: FONCARD calls; calls which are pay for use, including calls to 900, 976, 555 and 700 numbers; calls to Directory Assistance calls which involve an operator service, including emergency interrupt and intercept call completion; and toll free service.
