Sprint Sense AnyTime Test Market Promotion¹

Beginning September 29, 1997, Sprint will test market its Sprint Sense AnyTime interstate calling service as described herein. Sprint Sense AnyTime is available to new "Sprint Sense II International Calling Promotion" customers and existing "Sprint Sense II International Calling Promotion" customers meeting the requirements of this promotion and requesting enrollment in this market test. Sprint Sense AnyTime provides a Dial-1 interstate rate of \$0.10 per minute, 7 days a week, 24 hours a day in lieu of the standard interstate Dial-1 rates. A monthly recurring charge of \$4.95 will apply. This MRC will be waived in any month in which the customer's total monthly usage is \$30.00 or more. All other applicable rates, terms and conditions of the "Sprint Sense II International Calling Promotion" and the Sprint Sense II General International Calling Plan will apply. Sprint Sense AnyTime is available only to residential customers residing in the U.S. Mainland, Hawaii, Puerto Rico and the U.S. Virgin Islands. Except as indicated herein, eligible customers may combine this test market promotion with the "Sprint Sense Cash Back Program." This test market promotion is available for sign-up through November 9, 1997, unless sooner changed or canceled by Sprint. Upon expiration of the enrollment period, customers of this test market service will continue to receive the rates, terms and conditions of this test market service, which may change from time to time, until such time as Sprint discontinues the service. At that time, the customer will be given the choice of (1) returning to the customer's previous Sprint service or (2) switching to another Sprint service.
