

**SPRINT WORLD GUEST<sup>SM</sup>  
INTERNATIONAL ACCESS**

- Sprint International Access, where available, with the Sprint World Guest<sup>SM</sup> program may be used by an individual staying at a hotel or using a hospitality phone. By using such phone a Sprint international operator or a Voice Response Unit (VRU) will be reached.
- All calls, including those terminating to a toll free terminating number, will be billed in whole minute increments from the table below. Partial minutes are rounded up to the next whole minute. A per call surcharge will also apply. See Sprint [International Access Surcharges](#).
- For third country calling, where available, the outbound portion of calls terminating in an international point will be assessed an additional per minute charge as well as the appropriate Sprint [International Access Surcharges](#).
- If an operator assists with placing a call, operator assisted rates will apply. The Sprint operator will be reached by dialing a toll free number. A customer can obtain directory or general assistance from the Sprint operator (for example, U.S. area code information, time of day in U.S. cities, call rates, and/or call completion assistance).
- A station-to-station call may be placed/billed to a customer's U.S.-issued credit card (MasterCard, VISA, Discover, Diners, and American Express), cards issued by U.S. local telephone companies and the Sprint FONCARD<sup>SM</sup>. Additional billing options for calls to the U.S. include collect calls and calls billed to third party numbers. All calls will be rated and billed in U.S. currency.
- The customer may be assessed a local call charge by the foreign telephone administration. The customer may be assessed a toll free access charge by the international hotel property.
- Some public phones may require a deposit of coins to get a dial tone.

**Sprint International Access Calls Billed to a Credit Card or Local Exchange Company Card
